

£19.95 IS ALL IT COSTS TO FIND THE BEST MORTGAGE ON THE MARKET

INCLUDING DEALS THAT ARE NOT AVAILABLE TO ANY BROKER, IFA OR INTERMEDIARY.

HOW DOES IT WORK?

We have been arranging mortgages for more than 12 years and know the market, inside out. We see many, many mortgages now available only by direct application so we believe you should be entitled to find out about them.

We will assess your enquiry exactly how any regulated broker would, source the best mortgage from the whole of the market, produce a key facts illustration, a full audit of all the lenders who would offer you the mortgage and a brochure of the lender's requirements for application. These documents will be posted to you so that you can then decide if you wish to apply direct or ask an intermediary to arrange it for you.

All for £19.95 There is no further charge from us, we do not arrange the mortgage neither do we collect any fee from the lender.

This is a completely unique service in the marketplace. At the moment it does not apply to people with adverse credit.

What next? Complete our enquiry form and put in the further information box at the end of the form "£19.95 please" Our standard broker terms do not apply.

We will then send you a link to pay **£19.95** followed by our receipt and within 48 hours your full assessment and the documents mentioned above will be posted to you.

You will not be contacted by us or any other organisation on a sales basis but you can still ask us to arrange the mortgage if you prefer.
